To Continuing Education Provider:

I am pleased to inform you that the Division of Corporations, Business and Professional Licensing has approved the course listed below for continuing education for Electrical Administrators and/or Electrical Journeymen. (Department of Labor & Workforce Development)

Electrical Administrators in the State of Alaska are required to obtain eight hours of NEC and/or eight hours of NESC continuing education depending upon their license category (ies), every two years, based on the current state adopted codes or their later revisions.

Electrical Journeymen in the State of Alaska are required to obtain sixteen hours of continuing education every two years, of which at least eight hours must be comprehensive NEC code or NEC code updates and eight hours may be "industry related".

Please continue to submit information on any additional courses that you would like to have reviewed for approval.

You may view approved continuing education courses on our website at:
<https://www.commerce.alaska.gov/cbp/ContinuingEducation/Sponsor>

Course #	Course Name	Exp. Date	Credit Type	Credit Hours
17996	AK 8 hr. 2020 NEC Significant Changes to Ch 1 - 3	12/31/21*	NEC	8

* Course credit will not be approved for the "student" if a more recent version of the code has been adopted at the time the course was taken. *

Please feel free to contact me with any questions by email at jerry.hannasch@alaska.gov.

Sincerely,

Jerry Hannasch
