Dear Tim:

We have approved the following course and instructor for continuing education:

Course - #4371 - 2017 NEC Review Chapter 1-3 & 7

Hours - Code: 8.00 Non-Code: .00

After a participant has attended your class and wishes to apply for South Dakota continuing education credit, they need to send us a copy of their certificate attendance.

Effective July 1, 2010 each continuing education provider shall provide each participant a **certificate of attendance**. Per 20:44:17:10, the certificate must contain the license holder's name, SD license number, course title, date, location of course, number of credit hours, whether it is a preapproved course, signature of coordinator or instructor. Please also include the sponsor of the class.

You may use this course number for the above class until August 15, 2018. You do not need to have future classes approved for this course. This approval is only valid in the State of South Dakota. If you wish for other State's approval, you will need to apply with that State.

Thank you for supporting our Continuing Education Program.

Sincerely,

A handwritten signature in cursive script that reads 'Roxi A. Mobley'.
