RE: Approval of Contractor's Business and Law Course.

Dear Mr. Imel:

I presented the Contractor's Business and Law course submitted by At Your Pace Online, LLC to the New Mexico Construction Industries Commission (CIC) for their approval, at their scheduled September 20, 2017 meeting.

The course was approved by a unanimous vote of the Commission and is officially a CIC approved Business and Law course effective that date. This course is not a Continuing Education course but a course for initial Qualifying Party certification that may be taken in lieu of the required Business and Law examination for Qualifying Parties, pursuant to the Construction Division Licensing Act Section 6-13-16 C.

The course is not required to have a course number, and is an ongoing course that does not require renewal. Please be aware that changes to New Mexico statutes and rules regarding contractors will require changes to the course curriculum as necessary to ensure curriculum accuracy.

Please feel free to contact me should you require any assistance.

Sincerely,

A handwritten signature in cursive script that reads "Andy Dalmy".
